

# Group for Bifocal...

- ▶ Bifocal Students have **PCM** (Physics, Chemistry and Mathematics) Group.
- ▶ They have to Left *Biology and Second language (Marathi , Hindi)*

▶ Bifocal Student has following Subject

1. **English (100 Marks)**
2. **Physics**
3. **Chemistry**
4. **Mathematics**
5. **Bifocal (Electronics or Computer Science)**

# Bifocal Subjects

Computer Science and Electronics are  
Bifocal Subjects.

Paper I :- Theory (50 M) + Practical (50 M) = 100  
Marks

Paper II :- Theory (50 M) + Practical (50 M) = 100  
Marks

Total = 200 Marks

Bifocal Admission is according to Technical Office Directives based on Merit and reservation as per norms.

Students who had technical subject in their school have 25% quota in Bifocal.

# Advantages ...

- ❖ Students get good practical knowledge as practical is for 100 marks
- ❖ Student can focus on **PCM** group, JEE/CET studies
- ❖ Bifocal is a 200 marks subject, so students can score good percentage, which will be helpful for JEE/CET Admission.
- ❖ For IIT admission student require **75% in XII exam**, 100 marks practical will help to increase percentage in board exam.
- ❖ **Very important**, at the time of engineering admission if the student scores less than 50 marks in PCM group then **instead of Chemistry** Bifocal marks are considered
- ❖ In boarded examination maximum student score out of marks in bifocal(200/200) which is near about **31% of total Marks**.

# Why Bifocal..

Student can choose one subject either Electronics or Computer science for 200 marks, which may be the based of Engineering and Graduation Studies like BE, B.Sc, B.C.S, B.C.A and any graduation course first year syllabus.

# Documents required for Bifocal Admission..

- ❖ Xerox copy of 10<sup>th</sup> Mark sheet.
- ❖ Xerox copy of school leaving.
- ❖ Xerox copy of cast certificate of student.
- ❖ Xerox copy of 11<sup>th</sup> online admission receipt (Application No.)

Thank You

Mrs. Sonal Kurkure.  
Mr. Yogesh Zende.
